PURPOSE

JJR and SmithGroup presented the master plan process, a brief review of site analysis and alternatives, and the draft master plans of the Health Sciences and Main Campus. Stormwater strategies and phasing were introduced at this session. Questions and comments were taken throughout the presentation.

MEETING NOTES

Health Sciences:

- As an option, the Cancer Center could be stacked on top of Ancillary Services.

Main Campus:

- There was a concern with pedestrian traffic currently traversing down 4th Street and increase pedestrian traffic after build-out.
- In regards to the Christenbury Gym removal, it is necessary to respect the history of this building
